

1) Organization Chart

1) Brief description about the club

CITzens club was formed specifically for students in Bachelor of Communication (Hons) Instructional Communication and Training (MC246). Our mission is to produce quality young instructional designers and take Instructional Design to a higher level and be able to open everyone's minds what course of Instructional Communication and Training can do. The value of CITzens club is Committed, Innovative, Team Spirit and Growth. Our motto is "Aspiring Limitless Talents". Here in CIT, we strive to shape future talents that can aspire other people. Being Limitless means wanting to constantly reach for bigger & better things that once started as a dream. The world needs more limitless aspiring talents that's versatile & that is what CIT is all about. The club was established to help young instructional designers in terms of providing information related to UiTM and CIT courses, organize activities, listening to students' opinions and looking after the welfare of students. In addition, the establishment of this club can help increase knowledge and experience in dealing with industry life after graduation.

2) Annual Activities and Engagement

- CITzen Unite

CITzen Unite a main event for welcoming the new students held by every semester. It is get-together event for CITzens club members. The main purpose of this event is to create bond between the members of CITzens including lecturers and students.

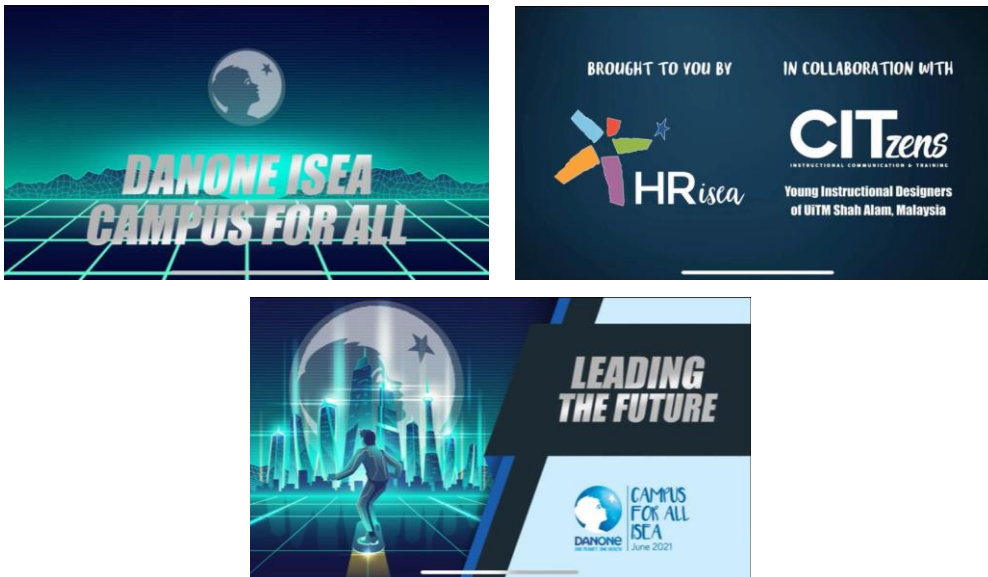

- Annual Grand Moment (AGM)

CITzens Annual Grand Moment is an event held at the end of the semester. The purposes of the event are to tighten the relationship between Instructional Communication and Training students (MC246), informing activities held during the semester and recruit new members for CITzens club.

- **Corporate Learning Experiential Journey**

This semester CITzens club has joined a Corporate Learning Experiential Journey with Danone Company for almost 2 months. The purpose of this event is to give us experiences working in industry and to develop our leadership skills. The task that we are been given is to develop the launch video for their Campus For All ISEA June 2021 event.
